Ramadan sales start early

MAZDA'S exclusive dealer in Bahrain, International Motor Trading, has announced early Ramadan offers on the award-winning Mazda3 this year.

The Mazda3 nabbed the World Car Awards' (WCA) 2020 World Car Design of the Year award and was named one of the WCA's top three cars of 2020, along with the Mazda CX-30.

The WCA's judging panel of 86 journalists from more than 25 different countries recognised Mazda3's unique 'Kodo' design, which takes inspiration from the Japanese aesthetic of 'less is more.' With a naturally aerodynamic body flowing with subtle waves of light and shadow, the Mazda3 has a one-of-a-kind and powerful personality.

With the Mazda3, CX-30 and its fleet of 2020 vehicles, the Japanese marquee marks 100 years of car making excellence, with a history of building cars that fuse design and driving pleasure.

To celebrate Ramadan, the badge's centenary and

its recent awards, Mazda Bahrain is offering its best ever deals on all 2020 models.

All models come with a free five year or 100,000km service package, as well as free extended warranty, insurance, registration, window tinting and rust-proofing.

With various financing perks like deferred payment options and special interest rates, as well as a trade-in facility for old Mazda models, this is the perfect time to test drive and buy a brand new Mazda.

A senior management personnel at the company noted: "In line with the Ministry of Health's directives during the coronavirus outbreak, we ensure that the entire showroom is sanitised regularly. One of our team members checks every visitor's temperature, providing sanitiser and gloves at the entry, and ensures that everyone entering the showroom wears a face mask. We also have social distancing markers and precautionary signage throughout the showroom.

Anyone taking a test drive is required to wear gloves and can rest easy, knowing that the car is sanitised after every test drive."
